

Library Makerspace Waiver, Release of Liability and Term of Use Agreement ("Agreement")

Assumption of Risk and Release

I have read and understood the Makerspace Policy and I agree that I am voluntarily participating in the Makerspace with knowledge of the risks of doing so, such as the risks of injury, loss or property damage from the use of tools or materials and voluntarily assume the risks. In consideration of being permitted to participate in the Makerspace, I hereby release the Marion Library Association, its staff, trustees, and representatives (together, "the Library") from all manner of actions, causes of action, liability, claims, damage, or demands arising from or related to my participation in the Makerspace, and notwithstanding that such damage, loss or injury may have been caused partly or solely by the negligence of the Library.

Acknowledgement

I acknowledge that I have read this Agreement and understand that it includes an assumption of the risk and a release of liability. The Library is relying on this waiver as a condition to allowing me to participate in the Makerspace.

Participation

I agree to use the facilities, tools, and materials in a safe manner, and to alert fellow Makerspace users and Library staff when facilities, tools or materials are being used in a way that could cause harm. I will be careful not to waste materials and will clean up after myself. I acknowledge and agree that I may supply my own materials for use in the Makerspace only if such materials are safe and compatible with the Makerspace tools and equipment and the Library staff expressly approves their use.

I acknowledge that I am responsible for adhering to the Library's Makerspace Policy and its Patron Behavior Policies.
